Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on improving inclusion in the school by making students, parents/guardians, and community members more informed of available resources.

We are doing this because we want all of our students to fulfill their potential..

Throughout the year, we will be:

1. Communicate information about resources in our weekly school newsletter.
2. Increase awareness about our Safe and Inclusive School Plan.
3. Implement school wide and classroom inclusive activities.

Community/Home Connections

Ask your child about the Reporting Anonymously link on our school website.

Try increasing the conversation about school experiences at home with your child.
